- 46 *temp* 'Abd al-Malik, Gold Dinar, 85h, 4.18g (Walker p.87:195). *Good very fine and a rare date.* £400-500

- 47 *temp* 'Abd al-Malik, Dirham, Abarqubadh 83h, 2.81g (Klat 19). *Good very fine and extremely rare.* £2000-2500

- 48 *temp* 'Abd al-Malik, Dirham, Bardasir 82h, 2.26g (Klat -). *Heavily pitted on the obverse, reverse better, generally about very fine and extremely rare.* £8000-10,000

The date for the mint unrecorded by Klat. Bardasir was the capital of Kirman province. Its mint is known only from the year 79h, one reference, and now this coin from 82h. In 90h the provincial name Kirman supplanted that of Bardasir on the coinage.

- 49 *temp* 'Abd al-Malik, Dirham, Darabjird 79h, 2.76g (Klat 288). *Surface deposits on the reverse, otherwise good very fine and very rare.* £2000-2500

- 51 *temp* 'Abd al-Malik, Dirham, Dimashq 79h, 2.73g (Klat Post-Reform Dirhams 323.b). *Very fine.* £120-150

- 52 *temp* 'Abd al-Malik, Dirham, Fil 81h, 2.67g (Klat -). *Good very fine and extremely rare.* £8000-10,000

The date for the mint unrecorded by Klat. Fil is one of the Umayyad mystery mints. It has been given the convenient name *Fil* (meaning 'elephant') because no other plausible reading has been accepted. There was a town of this name located in Khwarazm, but it is said to have been conquered by the Muslims after this coin was struck. Examples are known from 79h, 80h, 81h (this coin) and 82h. With four dates recorded, it should not be long before the identity of this mint is revealed.

Mosul was the principal town of Diyar Rabi'a. Somewhat surprisingly Mosul is an extraordinarily rare Umayyad silver mint. Three examples are recorded of the year 82h (including this coin) and one of 83h. Mosul was, however, a prolific copper mint with the names of governors under the Caliph Hisham and Marwan II being regularly recorded. This coin has a distinctive pattern of pellets which links it to the die-sinker of Klat 626a.

This mule is remarkable due to the fact that the Caliph *al-Mu'tazz* on the obverse (usually described as the son of the Commander of the Faithful) is described as the Commander of the Faithful himself. On the reverse, where the reigning caliph normally places his name, is found the name of *al-Mu'tazz's* father, *al-Mutawakkil*. The cataloguer has no obvious explanation for this anomaly, but it may be a veiled sign of political protest

Information for New Bidders

Admission to the auction and participation is free once you have a copy of this catalogue.

You are encouraged to view the lots before the sale and attend the auction in person. Viewing of the lots may be done at your leisure, by appointment, in the week prior to the auction.

The catalogue is printed with estimates alongside each lot. This is intended as a price guide for interested bidders. Although it is our opinion of the value of the lot, bidders should be clear in their own minds what each lot is worth and should be prepared for prices to rise if there is competition for the lot. All lots can realise hammer prices both above and below the printed pre-sale estimate. In normal circumstances, each lot is reserved at 80% of the lower estimate and bids below this are very unlikely to be accepted.

Bidding may be carried out by you in person or by a representative of your choice (please ask a member of Baldwin's staff for more information on this). To collect your bidding number visit the registration table outside the auction room. Please ensure that you arrive in plenty of time for the lots you are interested in. A time guide is printed at the front of this catalogue and approximately 200 lots are sold per hour. However, bidders are reminded that this is a *guide only* and Baldwin's cannot be held responsible if you miss your lot.

Alternatively, bids may be submitted by filling out the bidsheet found in this catalogue. They must be submitted *in writing* either by post, email or fax to the Baldwin offices to arrive not later than 24 hours prior to the sale. Please include a street address in your email. Bids left by telephone are at the bidder's risk. Baldwin's will accept no responsibility for errors in the execution of bids submitted to a member of staff by telephone. It is recommended that such bids are confirmed in writing immediately.

Baldwin's regret that they are unable to confirm receipt of faxed or emailed bids sent up to 3 days prior to the date of the auction.

Information for Potential Sellers

We produce quality catalogues which are an expertly researched selling tool for your collection. These can be personalised to create a lasting record.

Our catalogues reach a vast international clientèle which is constantly augmented by our presence at international coin shows including London, New York, Munich, Singapore and Hong Kong. This promises favourable results when we auction your coins.

Our seller commission begins at 15% (+VAT) but may be reduced for items of high value or whole collections. Please ask a member of staff for more details. This is the only charge that applies. We make no charge for photography, storage or insurance and there is no fee for lots that do not sell.

Absentee bids left with Baldwin's Auctions are executed by the auctioneer against all other bidders. Participants should supply their highest bid for each lot. Lots will be purchased as cheaply as possible against all competition. Absentee bidders will not be contacted prior to the auction if their top bid has been exceeded. Bidding begins below the low estimate and if yours is the only bid you will win the lot for the opening price no matter what your top bid may be. In the event of identical absentee bids, the earliest received will take priority.

If you are bidding in our auction for the first time, please give us the name of another dealer or auction house that knows you well as a reference. If you are unable to do this, we can only send you your lots after your invoice has been paid in full.

Invoices will be prepared on request during and after the auction. These will indicate the total due to A H Baldwin & Sons Ltd (including postage and insurance costs). Invoices will be sent *by Royal Mail* to bidders approximately two days after the auction has ended. Baldwin's regret that invoices cannot be sent by email. Full prices realised will be included with each invoice posted and are available on request shortly after the auction.

The price paid by the bidder is the hammer price plus 21.15% buyer's premium (including VAT). Book lots are not subject to VAT. Lots exported outside of the European Union may not be subject to VAT where A H Baldwin & Sons Ltd hold proof of export. Ask Baldwin's for more details where this may apply to you.

For lots sent by post a standard minimum charge of £6.20 will be applicable for UK customers. Postage and insurance will be charged at cost for larger shipments and those outside the UK (minimum £7.80). Lots will be sent by Royal Mail, recorded and insured delivery. Bidders are encouraged to arrange their own collection/shipment wherever possible.

Baldwin's are pleased to offer free verbal valuations of your coins, medals and banknotes and also clear independent guidance for their sale by auction or direct purchase.

At the point of consignment you will receive a signed receipt which details our conditions of sale. You will receive a full listing of your items in the sale and a free copy of the printed catalogue at least three weeks before the sale date.

Payment to sellers takes place between 30 and 45 days after the date of the sale. Consignors are not required to pay any money before the auction as all charges are deducted from the final settlement.

CONDITIONS OF SALE

1. The highest bidder for each lot shall be the buyer thereof. In the event of any dispute the auctioneer shall have absolute discretion to determine the dispute and the disputed lot may well be re-offered for sale.

2. The auctioneer will have absolute discretion to divide any lot, to combine any two or more lots, or to withdraw any lots from the sale without giving any reason. The bidding shall be regulated at the absolute discretion of the auctioneer. The auctioneer has the right to refuse any bid or bids.

Bids must be in writing and be received at least 24 hours before the sale. "Buy" commissions will not be accepted. A H Baldwin & Sons Ltd shall not be liable for errors or omissions in executing any bidding commissions. We cannot guarantee to execute written bids received less than 24 hours before the commencement of the sale. 6. The buyer of any lot shall, if requested, immediately notify his name and address to the auctioneer and if required,

(a) provide bank/or other credit references;

The onus of proving a lot to be not genuine or authentic or to have been so wrongly described shall lie with the buyer. Proof of the inability of any recognised expert or authority to express a definite opinion shall not discharge such onus. If the buyer shall discharge such onus, the auctioneers shall rescind the sale and repay to the buyer the price paid by him. Save as provided herein, A H Baldwin & Sons Ltd shall not under any circumstances whatsoever be liable for any costs, expenses or damages (whether direct, indirect, special or consequential) incurred by the buyer in respect of any lot, whether or not as a result of

any fault, imperfection, error or description or lack of genuineness or authenticity, including but not limited to loss of any kind of profit whatsoever.

(c) The Auctioneer does not accept the opinions of commercial third-party grading services. Refusal of such a service to grade a coin, or a difference of opinion on the grade of a coin, is not acceptable grounds for the return of a lot. Statements and opinions formed by third-party grading services based on their own independent research do not affect the auctioneers rights and conditions.

8. All lots are reserved at 80% of the lower estimate, with auctioneer's discretion.

9. Save as provided in the preceding paragraph of these conditions buyers must satisfy themselves as to the accuracy of their purchases at the time of delivery. A H Baldwin & Sons Ltd cannot be held responsible for any discrepancy which might be discovered after the lots have been removed from either the auction room or the auctioneers' premises.

10. A H Baldwin & Sons Ltd act solely as agents and shall not be responsible for any default by either the buyer or seller or for any action or claim which may arise in respect of any lot.

A H Baldwin & Sons Ltd reserve the right to charge storage and to resell by auction or privately, without notice to the buyer, any lots not so removed.
